Solid Desk

Designed with extreme clarity and simplicity in mind, this table was inspired by the work of Mies van der Rohe. Realized in our luxurious exotic hardwoods, the emphasis is placed on craftsmanship and materials here. Constructed with mitred edges and a drawer along the underside, this desk seamlessly combines form and function.

Available in many different woods and finishes

29"H x 50"L x 24"W

\$12,600
